*Aldenham School: A Foundation for Success* charts the history of the School from Richard Platt's original foundation, showing the evolution through periods of both continuity and change. As well as highlighting significant events such as the Quatercentenary celebrations and the 1998 visit of HRH The Princess Royal it profiles important people in the context of the School's historical strengths and enduring traditions. Drawing throughout on the reminiscences of past and present members of the School community, the book offers a true and vibrant portrait of Aldenham, along with an inspiring vision for its future.
