

Aldenham Today

Issue 48 - WINTER 2019

A MESSAGE FROM THE HEAD

Interest in the Senior School continues to grow. This is reflected in increased student numbers, of which one third are girls. This is a great endorsement of all the staff and indeed of the quality of the all-round education we offer. Although we are now larger than in previous years we pride ourselves on maintaining a friendly community where all students are known to staff. We can expect this growth to continue as over 350 potential candidates recently sat our 11+ and 13+ tests, looking to join the School in September.

It has certainly been a busy start to the year in which, as well as the usual timetable, we have been able to fit in a whole School photograph, something which takes place every four years, as well as a Biennial CCF Inspection.

The House Music Competition continues to be one of the highlights of the Christmas Term. Involving every single pupil in the Senior School, it will be one of the first memories that pupils form at Aldenham as they perform on stage in front of parents, staff and their peers. The excitement and enjoyment that this event generates is immense as they proudly bond with others in their House and across the School.

Educational trips are a great way to improve knowledge and understanding of a subject. Recent trips undertaken by our students include a Drama visit to New York, History and Politics visit to Washington, the classicists' time spent in Greece and a Geography expedition to Iceland. You can read more about these in this edition. Our hockey and cricket players are no doubt reaping the benefits of their current tour to South Africa which will be featured in the next issue. Other upcoming trips over half term include the senior and junior ski trips to Canon, USA and Austria respectively. It's certainly a busy and exciting schedule for everyone.

Thank you for your continued support and I look forward to seeing many parents and prospective families at forthcoming school events and sports fixtures. We anticipate lots of parents will join us at the Burton Albion grounds in March to cheer on our U13 footballers in the national ISFA finals.

I very much look forward to the challenges and rewards of another academic year and hope that this newsletter will keep you informed of many of our successes.

Andy Williams
Head of Aldenham Senior School

SIXTH FORM DINNER

120 Sixth Form students were lucky enough to enjoy another splendid evening at our annual Sixth Form Dinner. This year the theme was Queen Elizabeth I; superb props (including a throne, a brass cannon and even some Elizabethan costumes) arranged by the enormously creative Mr Stewart, helped to make the evening as atmospheric as ever. There was an excellent speech by Dr Fowler, wife of the Headmaster, who told the students how lucky they were to be equipped with

the inimitable Aldenham 'gift of the gab'. This was followed by some highly entertaining speeches from our Head Boy and Head Girl. The food was superb and the evening provided a wonderful opportunity for our new students to bond with one another and with those who have been here far longer. Many thanks to everyone who helped to organise this wonderful event, which is a treasured Aldenham tradition.

HOLOCAUST MEMORIAL DAY COMMEMORATIONS

As part of our Holocaust Memorial Day commemorations, Aldenham hosted a group of students and teachers from Immanuel College, some of whom had travelled to Rwanda last summer to learn about the 1994 genocide against the Tutsi.

We were also honoured to welcome Chantal Uwamahoro who told her story of living through the genocide. Our students engaged in some lively discussions and listened attentively to Chantal's profoundly moving and shocking story. Chantal commented that it had been a 'privilege' to talk to them and that she was 'really impressed with how they handled [listening to her story] and the questions they asked'.

DRAMA

VISIT TO NEW YORK

Over half-term, 34 GCSE Drama students spent an action-packed week in the Big Apple. From the moment they arrived in Times Square, they were immersed in the glitz, glamour and realities of theatre. First visit was to the Pekoe Group, the leading Broadway advertising agency, who showed ways of generating advertising concepts to sell a theatre show. Then followed visits to watch four contrasting Broadway shows which included Darren Brown's *The Secret* and *Moulin Rouge*. In the following days the students met with casting agents and actors who shared inside industry advice, and the theatre practitioner Lola Cohan.

The final day was spent visiting the sites and monuments of New York, hopping on the Statue of Liberty Cruise and paying their respects at the original site of the Twin Towers. Seeing the 9/11 Memorial Museum was a particularly moving experience for all students and staff. The 'room of phone calls' and the photographs of those whose lives were lost will remain ingrained in everyone's memory.

MARTINEAU'S DRAMA COMPETITION

The stimulus for this year's Martineau's House Drama competition was 'Big Questions'. At the end of a busy day of rehearsals, sorting costumes and props for their plays, it was time for all eight Houses to take to the stage in a crowded School Theatre.

First up was Beck House with their play *How will Humans be Remembered?* This brave piece was judged to be the best production of the competition for its good unison, use of stage, and voiceovers. Griffin was next with *What are the biggest regrets we will have about the 21st Century?* which had comedic moments and related the story well. Foster's *If you could send a message to the entire world, what would it say?* conveyed a strong moral message with good technique. *What will the last note written by a human actually say?* by Elliott conveyed another important message about sharing, with good unison movement throughout. Neale also delivered a moral message in their production of *What would you do differently if you had all the money in the world?* showing great use of lifts. Collier was another House which demonstrated effective use of lifts and levels throughout in *What do you wish you had been taught earlier?* The moral message in the Mason play *How has technology affected us?* had good use of technique, lifts and time changes with costumes. The final play, by Swayne: *What should we do to save our planet?* showed good use of technique and unity.

A big THANK YOU to all the tutors, the Drama department and the student helpers throughout the day, especially the Drama Captains for their excellent adjudication - **Jolie Slater, Sarah McMahon and Emma Gillespie.**

Charlie Reid in Swayne won the Best Actor award.

SHAKESPEARE SCHOOLS FESTIVAL

Aldenham's first entry in the Shakespeare Schools Festival (SSF) saw 23 of our Year 7 and 8 pupils perform a compelling performance of William Shakespeare's *Romeo and Juliet* in a night to give confidence and self-esteem to last a lifetime. The Aldenham performance drew its inspiration from the violence on the streets of London.

The performance was a huge success with the adjudicator on the night commenting: "A powerful, pulsating, edgy, contemporary opening ... dynamic physical action and voiceover combined to signal a bold, fresh, relevant telling of this timeless tale. Characters were strong, truthful and energised throughout. This was a terrific tragedy of *Romeo and Juliet*."

To everyone's delight there was another opportunity to see the production on the Aldenham stage.

Zane Hart and **Ellie Gurner** as Romeo and Juliet held the piece together with their emotional and mature interpretations of the famous lovers. In constant conflict with the love story was the violence and aggression on the streets of London, driven by **Grace Freeman** whose performance as Tybalt revealed the heartless and callous nature of this character contrasting with **Cameron Mahon's** helpless and vulnerable Benvolio. Grace's intensity was matched in the Montague family by **Charlie Reid** as Mercutio. This performance had the audience laughing one minute and in shock the next, as this tragic hero fell victim to his own impulsivity.

At the heart of this production was a true ensemble feel, with the whole cast moving between scenes and moments of physical theatre with ease and purpose. Huge thanks to those who supported this production, allowing it to be such a successful first Martineau's show of the year. Particular thanks must go to **Oliver Newland**, **Cole Newton** and Mr Stacey for their outstanding technical work; they ensured that the audience were placed at the heart of the action from the first moments of the play.

CAROL SERVICE AT ST ALBANS ABBEY

A beautiful service of lessons and carols was enjoyed by students, parents, staff and friends at St Albans Abbey. The service started with the traditional *Once in Royal David's City* with the first verse sung a cappella by **Emilie Geissmar-Wagstaff** and **Dinah Styles Vickery**. Martineau's Choir performed lively versions of *Personent Hodie* and *The Zither Carol*. The Boys' Choir performed a rousing a cappella version of *Gaudete* and the Senior Choir sang a variety of carols including *See Amid the Winter's Snow* and *We Wish you a Merry Christmas*.

A triumphant brass fanfare led the congregation into the final carol *O Come All Ye Faithful* concluding another memorable service.

CCF

Squadron Leader Coupland, 2i/c RAF CCF at RAF Cranwell inspected the Aldenham and Queens' School cadets. Following the parade, the Squadron Leader spent time speaking with every single cadet before joining in a group photograph.

A carousel of activities followed the lunch: shooting, navigation lessons led by RAF cadets, a visit to the flight simulator and a field craft lesson led by the army section. Parents, staff and cadets assembled on Top Field at the end of the afternoon for the set piece - a demonstration of a compound clearance with medical evacuation.

At Final Parade, the Squadron Leader congratulated the strength of the unit and the enthusiasm of the cadets and staff. The report that followed showed that the unit had passed the inspection with flying colours!

ALDENHAM SCHOOL REMEMBERS

Aldenham School was well represented at the Remembrance Sunday service on the green in Letchmore Heath, led by The Revd Robert Fletcher, Vicar of Aldenham Church. The Headmasters from both Aldenham School and Edge Grove, Mr James Fowler and Mr Ben Evans, contributed readings, while our School Chaplain, The Revd Jos Perris, led the prayers alongside representatives from Bhaktivedanta

Manor and the local Jewish Synagogue. The music was led by the Aldenham School Brass Band conducted by Mr John Rayfield, Teacher of Music. On a fine Sunday morning the cadets from Aldenham and Queens' School CCF looked splendid as they paraded alongside a lone piper. Among the many wreaths that were laid was one from a local parent who lost their stepson - a VC medal recipient - in Afghanistan.

Head Girl **Jemima Wax**, Headmaster Mr James Fowler and Head of Senior School Mr Andy Williams lay a wreath at the Letchmore Heath Cenotaph on Remembrance Sunday.

We held our own Remembrance Day Service in School to honour and remember all those who had died, especially remembering the 288 OAs who lost their lives in both World Wars. On the way to the chapel everyone walked through a tunnel of flags which were later placed on the altar, representing around 50 countries with affiliations with our pupils and staff. Aldenham CCF were on parade, setting the scene beautifully for the service that followed.

The Bible reading, undertaken by our Junior Head Boy and Head Girl, **Leo Goldschmied** and **Hannah Cushion**, was followed by a poem written by OA Jim Cockburn (SHE 1957-61) read by Mrs Ann Saffery (Development and OA Manager). Revd Philip Green preached about the importance of gratitude and peace reminding us that it starts with us. The names of the dead from 1918-1919 and 1939-1940 were read out and wreaths were laid. The whole School declared its commitment to peace as the CCF led everyone out as the chapel bells tolled, one for each member of the OA community who died.

ELECTION FEVER

HUSTINGS AT ALDENHAM

It was a perfect chance to enhance democratic and political engagement as we hosted a hustings by three local parliamentary candidates from Hertsmere in the run up to the General Election.

Presenting their arguments to the student and staff body and stating why they should be elected in Hertsmere were Oliver Dowden from the Conservative Party, Holly Kal-Weiss from the Labour Party and Stephen Barrett from the Liberal Democrats. They passionately put forward their answers to questions on issues such as the environment, the role of independent schools, and of course Brexit.

MOCK ELECTIONS AT ALDENHAM

The last few days of the Aldenham Mock Election campaign saw a surge in the canvassing and campaigning activities of the pupil candidates and their teams. Coupled with the commitment of the pupils to participate, the result was an excellent turnout of over 72%. The aim of the proceedings was, *inter alia*, to give pupils an insight into the activities and procedures surrounding an election so that they would be able, in due course, to play a full and active part in civil society. Masterminded by Mr Ford, a long-standing member of staff, the exercise was an excellent replication of polling stations and the election process up and down the country.

HISTORIANS IN WASHINGTON

The History and Politics department took 20 students away for a History and Politics trip where they visited the WW2, Korean War, Vietnam War, Lincoln, Martin Luther King and Roosevelt memorials. They also had a tour of Congress and Arlington Cemetery, as well as a visit to the National Archives and National Museum of History.

Climbing the Washington Monument, the group had an amazing view over Washington. In order to soak in as much culture as they could, they visited Georgetown, Du Pont and even managed some free time at a mall.

A great amount was fitted into a short space of time and students will have many lasting memories.

CLASSICS STUDENTS TRAVEL TO ATHENS AND THE PELOPONNESE

The Classics department travelled to Athens and the Peloponnese with 36 pupils to explore the ancient sites of Greece during October half term. The first two days were spent exploring Athens; this started with a visit to the impressive new Parthenon Museum. Pupils learned about the Parthenon sculptures before walking to the Acropolis to see the Parthenon itself, the Erechtheum

and the entrance to the complex, the Propylaea. They stopped on the way to see the Theatre of Dionysus and the Odeion of Herodes Atticus on the hillside. This also included the Agora (market place) and the well-preserved Temple of Hephaestus.

There followed visits to the National Archaeological Museum to view some of the most well-known Greek

artefacts, and then the group continued on to ancient Corinth. Pupils ran races against each other on the same track as the ancient Olympic athletes at the famous site of Olympia. Other visits included Epidavros, an ancient site of healing, which also includes one of the best preserved Greek theatres in the world, and the site of citadel of Mycenae, which flourished around 1350BC.

The trip was an excellent opportunity for pupils studying GCSE and Classical Civilisation to see 'in the flesh' the objects they are studying, as well as being a fascinating tour of one of the most important civilisations to have ever existed.

GEOGRAPHERS EXPLORE ICELAND

On the first night of their epic trip to Iceland the 39 GCSE Geography students were thrilled to see the famous northern lights. **Kristian Bergene-Gray** described the four days spent in this geology paradise as 'just brilliant'. There were so many wonderful sights to see, from the Black Sand Beach, notable because there is no land between it and the South Pole, to the many beautiful waterfalls that Iceland has to offer. A visit to the Sulphur pits, which were constantly bubbling and spewing out sulphur, was followed by a trip to the famous Blue Lagoon. This lagoon was originally the excess from a geothermal power plant but due to its wonderful skin benefits has become one of the most popular spas in the world.

On the final day the group embarked on the Golden Circle tour. This included Thingvellir National Park, where two tectonic plates are moving apart. Pupils were able to stand in both America and Europe at the same time! They also witnessed the eruption of a geyser where a column of boiling water is shot into the air every 10 minutes. Finally there was a visit to the spectacular Gullfoss Waterfall, one of the only two-stage waterfalls in Iceland.

Certainly a trip unlike any other!

ESU PUBLIC SPEAKING SUCCESS

Our team of **Krish Menon**, **Lorenza Bertacchi** and **Eleanor McNeill** performed extremely well against five other school teams taking part in the second heat of the English Speaking Union Public Speaking Competition. This is the fourth time that the School has won through to the this stage of the competition which encourages the development of the highly important skill of speaking confidently in public

THE GREAT DEBATE

There were lots of fantastic speeches by our Year 12 students in the first heat of The Great Debate on the topic: 'Should we judge historical figures by the morals of today?' Following many hours researching their chosen figures, **Viola Alishah**, speaking on Sappho, was chosen to represent Aldenham at the regional heats in Buckingham. If successful, she will then qualify for the national finals. This public speaking event is organised by the Historical Association.

REVISION WITH A TWIST

Year 7 pupils performed a re-enactment of the Battle of Hastings, as part of their studies about the contenders for the throne in 1066. Split into Saxons and Normans and wearing their own costumes, the pupils went through the battle stage by stage. This certainly helped to consolidate what they had learned over the previous three weeks when it came to writing their essays on 'Why William won the Battle of Hastings'.

Year 11 students had a new take on revision, completing an escape room on their Literature text *An Inspector Calls* as they used their knowledge of the text, quotations and analysis to work out clues. Thankfully they all made it out in the end!

BUSINESS CHALLENGE

All the senior Houses participated in the House Business Challenge with the theme being a children's book on a relevant contemporary issue. A team of four from each House consisting of Year 9s to Year 11s had to create a portfolio covering ideas, rationale, finance and marketing along with a presentation. At the end of the presentation, the judges asked questions to validate their ideas. After deliberation by the judges, the winning House was McGill's, with a solid presentation, sound business idea and excellent portfolio

OUTSTANDING EPQ RESULTS

Congratulations are the order of the day for Aldenham students who have received outstanding results in their EPQ exams: 100% A*-B; 80% A*-A; 50% A*.

The Extended Project Qualification is worth half an A Level and is highly valued by universities because it encourages the development of independent learning and research skills. These grades have resulted in some students having their conditional offers from their university choices lowered including one girl who now needs only BBB in her A Levels to attend the University of Leeds, rather than AAB.

Our students chose a diverse and fascinating range of topics opting to produce these in a variety of ways,

ranging from creating a cricket bat, investigating the causes of the decline in the number of serial killers, designing and making a coat for a fashion designer, assessing narco-politics, and the composition of 'Aldenham the Musical'.

The exam board's moderator upheld and agreed with all of the marks sent by the School and noted that "this was an outstanding cohort and most of the submitted sample was of exceptional quality." This is the fourth year Aldenham students have been entered for the EPQ and each year has seen an improvement in the grades.

MUSICAL NOTES

HOUSE MUSIC

There was the usual buzz of excitement and anticipation in the run up to the annual House Music Competition as lots of rehearsals were in full swing everywhere. Who would win the Unison Cup this time? Might it be our turn to shine in the Part Song? This is the one competition that unites everyone in each House as every single student from Year 7 upwards gets the chance to appear on stage at some point during the event. The adjudicator, Ms Joy Hill, expressed her delight in returning to Aldenham for a second time. Joy, whose many musical accolades

include conductor at the Royal College of Music Junior Department, praised the supportive atmosphere and respect paid to all the performers at Aldenham before giving constructive feedback on each of the pieces.

Best Ensemble went to McGill's for their slick and powerful performance of *Rasputin*, which was totally engaging and showed good communication with the musicians. The Part Song winners were Kennedy's House for their good grouping of ensemble and balance of voices featuring the solos in *Dance with me Tonight*.

The electric guitar solo of **Toby Freeman** in McGill's was "really virtuosic" as he delivered an effortless performance using his own backups to win this category.

All the Unison performances were powerful making it a difficult decision, but Riding's emerged the winners for the brave solo and beautiful contrast they displayed in their *Lion King Medley*. And finally, the Conductor's Cup went to **Theo Theodorou** in McGill's for beautiful gestures and excellent connection with the singers.

Musicians from Martineau's put on an early evening concert in the Recital Room. Many of the pupils were performing in front of an audience for the first time. Particularly notable were the many and varied performances by our young pianists and the debut of a Martineau's rock band, whose set included one of their own compositions.

NEW KITCHENS AND SERVERY OFFICIALLY OPENED

Following the refurbishment of the Senior School kitchens, we were delighted to welcome our Chair of Governors Mr Trevor Barton, and new School Governor Mrs Sarah Altman to perform the official opening. Joining them were Mr James Fowler (Headmaster), Mr Wayne Wishart (Executive Head Chef, Holroyd Howe) and Mr Nick Howe (Joint Managing Director, Holroyd Howe).

When they had finished inspecting the smart new facilities they were ready for a tasty lunch in the Dining Hall. Wayne and his team prepare over 1,000 lunches every school day, plus breakfast and dinner for staff and boarders seven days a week during term time. It's fair to say that it's certainly a busy kitchen, but after more than 19 years working at Aldenham Wayne is certainly fit for the challenge.

MACMILLAN COFFEE MORNING

Money raised at the latest Macmillan Coffee Morning brings our total in recent years to around £8,000 for this amazing charity that is close to many of our hearts. Thank you to everyone who supported us.

PHAB AWARD FOR ALDENHAM

Aldenham School was proud to receive a special award presented by Lady Morris, Vice President of Phab, at a ceremony in the House of Lords to acknowledge the outstanding contribution to the development and promotion of Phab's aim of inclusion through schools, colleges and universities. Lord Morris dedicated his life to campaigning for the rights of disabled people, transforming not only the lives of millions of disabled people but the attitudes of society towards those with disabilities. A Phab connection with Aldenham started when Mr Lee Flindall, Head of Business Studies, was a most successful fundraiser in the 2013 Marathon.

Aldenham hosted its first Phab Weekend in April 2017 - a resounding success which is now an annual event in the School calendar.

Some of the Aldenham volunteers with the special Phab Award.

SPORT

FOOTBALL

So far the football season has been a great success. The 1st X1 reached the ISFA quarter final before being beaten by a very strong Brook House College side. The main bulk of their games are in the Elgin League where they secured second spot in the table to progress to a semi-final against City of London in early March. The 2nd X1 follow the same set of league fixtures and went unbeaten to top their league and then beat a talented Brentwood side to progress to the final which will be at Bromley FC in March.

The U14A side showed promise for the future and only lost 5 of their 15 matches. **Harry Phantis** captained the team well and was rewarded with a place in the U14 ISFA national squad.

The U12A side showed great promise for the future with some attractive football. They had some silverware to show for it by winning the Watford District Futsal championships and then finishing second at the County Finals.

The U13A side are the dominant team in the School at present, having won all 21 of their games so far. They have progressed to the ISFA National Final on March 19th at Burton Albion FC, the Herts County Final and the quarter final of the ESFA Elite Schools Cup. They have scored well over 100 goals in the process and hope to win the treble by the end of the school year.

The U15As had 17 wins from 20 matches but lost on penalties to Royal Russell in the ISFA quarter final who scored a last kick of the ball equaliser. The boys are still waiting to see if they have progressed in the Elgin League despite winning 7 of their 8 league matches including a 7-2 defeat of Whitgift. There was also heartache in the Herts County Cup as they lost 3-2 to Queens' despite dominating the game. The U15Bs also had a great season, winning 9 of their 11 fixtures.

Our students continue to do well on a personal level too, with **Charlie Patino** (England U17s) and **Pedro Neves Virginia** (Portugal U16s) representing their countries whilst **Tom Barrett**, **Max Delyfer**, **Romey Eccles-Meoded** and **Lewis Lavin** represented the ISFA National U16 side. At U13 level **Jacks Swales**, **Joseph Sadler**, **Taylor Johnson** and **Sammy Gershon** have been picked to represent the Herts & Essex ISFA Squad at the Easter Festival.

SKY SPORTS AT ALDENHAM

The Aldenham 1st XI football pre-season training session welcomed Richard Lee, ex Watford goalkeeper, who gave a masterclass on modern goalkeeping techniques. This was broadcast on Sky Sports News. During the session Richard also worked with **Harry Hauserman**, looking at aspects of distribution and how to retain possession from the back. He also showed **Theo Vickeridge** and **Callum Lacey** new shot stopping techniques.

FENCING ACE

Keen fencer **Oliver Strange** is now the U17 Great Britain No.1 champion. Competing against 285 world-wide fencers in the Men's Cadet Foil at the Budapest Cup, Oliver won all his poule fights advancing through the direct elimination phase of the competition until he was finally knocked out by the gold medal winner from Hungary.

Oliver is selected to represent GB at the European Cadet Championships in Porec, Croatia in March where he will compete for the individual and team titles. He will then go to Salt Lake City to participate in the Cadet Men's Foil World Championships in April.

Good luck Oliver!

GYMNASTICS CHAMPIONS

Congratulations to **Jaspar Hussain** and his partner who have been crowned East regional gymnastics champions for the second year running. Last year it was at grade 4 and this year is in the Youth category. Their coaches' aim is for them to move up a grade by the next competition. Brilliant work boys!

NETBALL

Since September, our students have been showcasing their skills in Netball with the introduction of an elite training programme for the U13 and U15 teams out of season. Designed to support our rising athletes and in turn prepare them for their entry into the Schools Netball County League, elite training saw 30 dedicated athletes train each week to improve their core skills and technical knowledge of the game. This paid off as they reached the quarter-finals of the competition.

Earlier in the year, a 1st VII and U16 squad travelled to Stanborough School to take part in the first round of the Schools National Cup, a whole new level of the game. The teams they faced were agile, physically strong and technically accurate. Both the 1st VII and U16 squad fought hard throughout the tournament but did not progress to the next round, although the experience proved invaluable.

Senior Squads (1st VII, 2nd VII and U15)

HOCKEY

In the girls U14 County Championship the Aldenham team beat the Royal Masonic 2-0 and Hockerill 3-0, with goals from **Simi Agbede**, **Florence Hamel**, **Mia Werter**, **Isabella Yeabsley** and **Edie Blayne**. They then secured a 0-0 against Bishop's Stortford. Despite fantastic performances from **Tohan Osaze** in goal, there were narrow losses to Queenswood and Haileybury, making them 3rd overall.

SWIMMING

Four Aldenham students took part in the Swim England Hertfordshire County Championships in January. **Isabella Yeabsley** (U14) won the U15 County Championship at 100m backstroke and 100m Individual Medley as well as six other Championship medals and a number of age group medals. Isabella was also awarded half colours by Swim England Hertfordshire. **Lexi Yeabsley** (U12) won the best U12 Swimmer in Hertfordshire including Gold medals for 50m, 100m, 200m Breaststroke and 400m Individual Medley. In total she won seventeen county medals, an incredible achievement. **Hannah Cushion** (U13) also won a County Medal as did **Maxwell George** (Mens Open).

It is great that we have four swimmers medalling at this county event. Depending on selection, Aldenham School are hoping that all four swimmers will be chosen to represent Hatfield Swimming Club at The 51st Arena League A Team Final in March where the top ten clubs in the country will be competing against each other. **Dillon Chana** will be competing in the Middlesex County Swimming Finals during February so we are sure to hear of plenty of success for Dillon in the near future.
